

Minecraft Map Installation Instructions

Thank you for downloading the Exeter 2018 City Centre Map - we hope you enjoy crafting your vision of the future. To install the map you'll need to place the map in your Minecraft saves folder. To do this please follow the instructions below:

Java Edition: Windows/OS

- Open the game launcher
- Click 'Launch Options'
- Click 'Add New'
- Click on the green arrow by the games directory box
- Copy and paste ECF_Exeter_2018.zip into this directory
- Unzip ECF_Exeter_2018.zip

Alternative method for finding your saves folder on Windows

- Press the Windows key and 'R' at the same time
- Type %appdata%\.minecraft\saves into the run box and click 'OK'
- Unzip ECF_Exeter_2018.zip

Windows 10 Edition

- Download the Pocket Edition/Windows 10 map
- Click 'Play'
- Click the arrow to the right of 'Create New'
- Find and open Exeter 2018.mcworld

Pocket Edition Android/iOS

- Download the Pocket Edition/Windows 10 map
- Open Exeter 2018.mcworld to load in game
